VEGETINE.

TUDGMENT OF THE PUBLIC.

During the past five years the public have care fully observed the wonderful cures accomplished from the use of VEGETINE. From its use many an afflicted sufferer has been restored to perfect health, after having expended a small fortune in procuring medical advice and obtaining poisonous mineral medicines.

It is now justly remarked by all classes of people that VEGETINE holds a higher position in the estimation of the public than any other medica compound, and it has won its great reputation and immense demand from actual merit.

Its medical properties are alterative, tonic, solvent, and diuretic. There is no disease of the hu-man system for which the VEGETINE cannot be used with perfect safety, as it does not contain any metallic or poisonous compound. It is composed exclusively of barks, roots, and herbs; it is very pleasant to take; every child likes it. It is safe and reliable, as the following evidence will show:

A WALKING MIRACLE.

Wr. H. R. Stevens:

Dear Sir,-Though a stranger, I want to inform you what VEGETINE has done for ma. Last Christmas Scrofula made its appearance in my system-large running ulcers appearing on me, as follows: One on each of my arms; one on my thigh, which extended to the seat : one on my head. which ate luto the skull-bone; one on my left leg, which became so bad that two physicians came to amputate the limb, though upon consultation concluded not to do so, as my whole body was so full of Scrofula they deemed it advisable to cut the sore, which was painful beyond description, and there was a quart of matter run from this one sore.

The physicians all gave me up to die, and said they could do no more for me. Both of my legs were drawn up to my seat, and it was thought if I did get up again I would be a cripple for life.

When in this condition I saw VEGETINE advertised, and commenced taking it in March, and followed on with it until I had used stateen bottles, and this morning I am going to plough corn, a well man. All my townsmen say it is a miracle to see me round walking and working.

In conclusion, I will add, when I was enduring are present for that he "might be brought to such great suffering from that dreadful disease whether of the truth at once, and ex. Scrofula I prayed to the Lord above to take me out of this world; but as VEGETINE has restored to n road-men were also made the special the blessings of health I desire more than ever to live, that I may be of some service to my fellowmen; and I know of no better way to aid suffering humanity than to enclose you this statement of my case, with an earnest hope that you will publish it; and it will afford me pleasure to reply to any communication which I may receive therefrom.

I am, sir, very respectfully,
WILLIAM PAYN. Avery, Berrien county Mich., July 10, 1872.

RELIABLE EVIDENCE.

Mr. H. R. Stevens: Dear Sir .- I will most cheerfully add my testimouy to the great number you have already received in favor of your great and good medicine, VEGETINE, for I do not think enough can be said in its praise, for I was troubled over thirty years with that dreadful disease Catarrh, and had such bad coughing spells that it would seem as though I would never breathe any more, and VEGETINE has cured me; and I do feel to thank God all the time that there is so good a medicine as VEGETINE, and I also think it one of the best medicines for coughs and weak, sinking feelings at the stomach, and advise everybody to take the VEGETINE, for I can as- that city in May last. The trials will comas as subordinates. Colonel Stemart has sure them it is one of the best medicines that eyer Mrs. L. GORE, corner Magazine and Walnut streets.
